### EXPERIENCE

#### • Cosmetologist

##### BOWIE SALON LLC

July 2012 – Aug 2020

Advocate for Kerastase, Rene Furterer product lines and oversaw the education through Goldwell color line while handling salon management duties such as ordering inventory and continuing education

Used STX Software to manage records and book guest appointments

Provided hair cutting, coloring, and chemical treatments using the most up to date technology, staying up on current trends and and necessary on demand education

Oversaw onboarding of new stylists to educate in techniques of guest management, stylist schedules, color theory and styling techniques to create a smooth business operation

#### • Discovery Corp Interpreter | Gift Shop Sales

##### PACIFIC SCIENCE CENTER

June 2008 – December 2014

Assured positive guest experiences through presenting on subjects of science, math and technology (ex. Planetarium, butterfly house and featured exhibits)

Built relationships with guests to increase likelihood of repeat business by making connection and going above and beyond to meet customers needs

Helped guests by working with them answering all questions, problems and complaints in person and via telephone
